Licensed Massage Therapist to join Collaborative Healthcare Team

“Navigating healthcare leaves people feeling overwhelmed and alone. At Vancouver Wellness Studio, our team collaborates with you to provide whole-person care so you can live the life you want.”

Vancouver Wellness Studio in downtown Vancouver, WA is seeking a Licensed Massage Therapist to join their Collaborative, Multidisciplinary Healthcare Team. This is a W-2 position. We value diversity and inclusion on our team.

Please submit a video (less than 5 minutes) introducing yourself and sharing why you are interested in this position.

Qualifications:

- A candidate with at least two years of experience as a massage therapist out of school, but less experience will be considered
- Experience with Electronic Health Records systems
- Ability to maintain a clean and organized space
- Strong ability to communicate with clients and other practitioners as well as the front desk as we are a collaborative office
- Flexible and able to cooperate as part of a team
- Punctual and able to keep a timely schedule and see clients on time
- Ability to write clearly and concisely
- Experience creating individualized treatment plans
- Interest and ability to see 12+ clients per week
- Interest in working Saturday, Sunday and Monday (with the option to grow beyond that)
- Must be passionate about life and collaborative healthcare!
- Must have excellent and compassionate communication and professionalism
- Competency in working with trauma
- Interest in growing with our team long-term

Duties and Job Requirements:

- Current massage therapy license (or pending licensure) in good status in the State of Washington
- Malpractice Insurance in good status
- Ability to follow office protocols including COVID protocols: practitioners and clients wear masks 100% of the time regardless of vaccine status, clients are prescreened and temperatures taken prior to all appointments, cleaning in-between appointments required.
- Must be able to work Saturday, Sunday and Monday
- Provide massage therapy services to clients with a variety of health issues and goals
- Attend weekly staff meetings

*We are looking for a practitioner who is not paneled with insurance companies and who does not want to be in private practice or work for another group practice while also working with us.

Compensation:

- Starting wage is \$30-\$45 per session DOE. \$15 per hour for administrative duties.
- Flexible schedule
- No medical/dental benefits provided
- Discounts on VWS services and products
- Send resume and cover letter (inquiries without both will not be considered).
